How to Change a Job Seeker’s Password
NOTE: This guide does not pertain to the Office of Unemployment initial temporary passwords.

Step 1: Go to https://ohiomeansjobs.com/omi/

Step 2: Select “Get Started” for the individual site.

Step 3: Select the Backpack Icon
Step 4: Login to your account

Step 5: Open the drop down option next to your name and select “Account Settings”
Step 6: Select “Change Password”
Step 7: Enter your Current Password, then create and enter a New Password and confirm your New Password by re-entering in the box provided. Instructions for creating a new password are under the New Password entry box;

- Use 8 to 20 characters,
- At least one number,
- One symbol (excluding ‘@’ - ‘ ‘),
- A combination of upper and lower case letters

Select “Update Account”
Step 8: When you have successfully completed the process you will be returned to the My Account page.
